

Minor Off-Property Release Form

Complete and return this form to Camp Hebron's Program Director by or before your first day of service.

This constitutes a letter of agreement between Camp Hebron and the parents of:

Child's Name: _____

Please print your child's full name above.

My/our signature(s) below confirm that:

I/we consent to having our minor child live and work at Camp Hebron for a three week period during the summer program. I/we understand that Camp Hebron will assign a responsible individual to serve as mentor(s) who will also be in the same staff housing building. I/we are comfortable with Camp Hebron's guidelines and expectations and are willing to support Camp in implementing them.

It is recognized that each summer staff will receive 1 1/2 days off per week. Many staff leave camp during this time. My signature at bottom indicates that my/our child has permission to go to any and all destinations they choose with the exception of any I have noted below. (List below any destinations/choices for which they must first secure your permission before traveling to. **List "none" anywhere below where there are no restrictions.**)

I/we understand that my/our child will need to do laundry at a local laundromat if they stay at camp on the weekend and that occasionally staff will go to town for ice cream, a quick trip to a store, or similar outings. My signature at bottom confirms that my/our child has permission to leave camp for such trips, with the following exceptions (please note any restrictions, including those involving drivers):

Travel/transportation restrictions:

I/we also request that the following additional guidelines be implemented with my/our child (list any additional restrictions or guidelines not covered above). If there are none, leave blank or write "none."

We encourage you to pray daily for your child, the rest of the staff, and the ongoing ministry of Camp Hebron during the summer.
